Did you ever wish that people would actually dance to the swing music you are playing or singing? Can you imagine that a dialogue between you as a jazz musician and a swing dancing crowd is possible and fruitful for both? However your answer is, the **SWING JAM SESSION** is your platform to join the swing dancing community in Basel and see if your music is moving people.

Do you want to know more about what is important if you play for dancers? Check out our website and sign up for the Jam Newsletter.
